Major Products

- High Performance Fabric: ECO Recycled Polyester, Bamboo Charcoal, Anti-bacterial, Warm & Light, UV Protection, Fast Absorption & Quick Dry etc.
- Various kind of Circular Knit Fabric with or without stretch

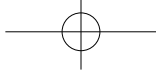

Company Profile

The combination of fabric technology and healthy living has always been the principle goal of the AGT in our R&D Department.

AGT was therefore born to bring a revolution in the textile industry. AGT stands for "Technical" and "Care" with the aim of "utilizing innovative technologies in order to offer to the new-era textile a greater number of diversified functions".

This spirit of continuity and consistency can be found in all products of the AGT family. This is a technology feast of healthy living.

Let's experience the utmost comfort and pleasure.
