Major Products

Recycle Oyster Shell Fabric, UV-Protect & Quick Dry Shirting Fabric,
Outdoor Pants Fabric, 2 Layer, 3 Layer Shell

Company Profile

Our company was established in 2010 with main focuses on R&D and marketing strategy. Hans Global Textile is a rapidly growing company. We developed several functional fabrics according to end users' demands. For example, due to the damage of the ozonosphere, human suffers from the fear of skin cancer; our company therefore has developed several shirting fabrics with UV-Protection. Currently, this kind of products are quite popular in the market, and our technology in UV-Protection is one of the most advanced in the textile industry. Our standard was AATCC183-2004 & AS/NZS 4399. We have many testing reports for your reference.
