Major Products

- Window Curtain, Curtain Accessories, Shower Curtain, Rug and Home Textile Accessories

Company Profile

Our company was established in 2010, and has grown into a professional houseware item supplier in Taiwan.

We have several own factories (Sole proprietorship or share holder) making shower curtains and bathroom coordinate sets (acrylic Bath Rugs, microfiber or chenille mats, PVC mats, laundry bins, ceramic sets, poly sets, poly hooks and shower rods). We have a professional designer team, making it easy for customers' idea to come true, and we also keep developing our own nice designs. We also have successfully developed window curtain items in recent years (such as tap-top curtains, eyelet top curtains, stripe curtains and moving panel curtains). We have served customers with minimum margins as well.

We have a 500 square meter showroom located in Shenzhen. It takes one hour's drive to Canton Fair exhibition hall and 40 minutes' drive to Hong Kong Airport. We have been doing business with famous Chain stores (Companies), such as Kik, NKD, Kaufland and Woolworth.

Company Profile

Manufacturer of the Highest-Quality Professional Curtain Track in the World

Company Introduction

Established in 1980, Syn Yao Enterprise Co, Ltd. started as a custom metal forming hardware producer. In 1998, the company successfully expanded to become a curtain track manufacturer. With a continuing evolution in technical knowledge, engineering capabilities and production automation techniques, Syn Yao eagerly and actively strives to develop more diversified curtain track products as well as peripheral drapery hardware components.

Operation Concepts

Our core concepts are simple – Quality and Reliability!

In today's competitive environment, for others, price seems to be a main focus and criteria of manufacturing. But for Syn Yao, QUALITY remains foremost. We believe that, insistence on producing the highest quality products, we can provide our customers with exceptional quality and product consistency, giving the greatest opportunity for steady sales growth.

With all the necessary equipment to produce various curtain track products, and the support from our expert engineering, design and R&D teams, we have the capability of offering high-specification customization and the ability to deliver efficient on-time service. Syn Yao maintains loyalty and trust from our customers around the world.

We strive to nurture our long-term partnerships with a strong and reliable business ethic.

Gingham, Jacquard/Dobby cloth, Denim, Twill cloth, Flannel, Corduroy, Cotton cloth, E/C blend cloth, E/R blend cloth, Spun Rayon cloth, R/C mixed cloth, N/C mixed cloth, Linen/Ramie cloth, Filament/Spun mixed weaving, Duck, Seersucker, Crinkle, Polyester cloth, Nylon cloth, Brushed, Flocked, Embroidery cloth, Lace, Gauze, Fabric for furniture, Industrial cloth, Acrylic cloth, Glass fabric, Interling, Filter cloth.

Company Profile

In 1946, "Taiwan Textile Industry Association" was founded with approval of the government. In the beginning, there were only 14 members. In 1948, it was renamed as "Taiwan Mechanical & Weaving Industry Association", with its members increased to more than 100 textile factories. From 1949 onward, knitting, towels, filament silk weaving, spinning, and dyeing & finishing manufacturers did respectively establish each one's association. The association was again renamed as "Taiwan Weaving Industry Association" in 1955 and remained the same name since.

When the Association was founded, it was based on the premises of "to coordinate relationship among the fellow companies; to increase mutual interests among the professions and to actively increase the equipment and improve the skills to promote the economic developments."
